

FUNCTIONAL DECORATING BASIC ROOM QUESTIONS

- ◇ Does this room need to be close to another room, such as the kitchen?
- ◇ Will your room have a lot of walking traffic?
- ◇ Or is it a low traffic room?
- ◇ Does there need to be enough space for someone to walk thru, such as to another room?
- ◇ Will you or your family be spending a lot of time in this room? Such as watching t.v?
- ◇ Will pets be in this room, and do they have special needs?
- ◇ Will you need space for more than one function?
 - Examples include a place to eat and also work or study?
 - A bedroom also needing room to study?
- ◇ If you have kids, will they need space to play or study in this room?
- ◇ Is this a bedroom for more than one person?
- ◇ Will you hold family functions or entertain in this room?
- ◇ Will there need to be enough room and furniture for people to talk?
- ◇ Will there need to be plenty of light?
- ◇ Or do you need or want less light, such as for a media room?
